# HOLIDAY WREATH CONTEST 2020

The decorating of your wreath is left to your imagination, creativity and ingenuity; however the following includes some guidelines we encourage you to adhere to when planning your decorations:

1. Decorations may be purchased or made. Decorations made of cardboard or paper are discouraged unless protected by plastic spray or wrapping.
2. We ask that decorations designed to feed wildlife not be used.
3. Decorations should be tied or wired securely to your wreath to resist high winds and vandalism.
4. Items especially attractive to theft should not be used. For example, beverage containers that carry a deposit.
5. No promotional handouts, business cards, or other loose items for the public to take will be permitted.
6. Wreath decorations can not advertise or promote political, religious or social view points, or be discriminatory in any way towards any individual or group of people.
7. The Batavia Business Improvement District reserves the right to remove any item on or about the wreath, or the entire wreath if it is deemed inappropriate, at our discretion.
